

List of math courses taught

Math 20* – Basic Mathematics (Southwestern College)

Math 32 – Basic Mathematics (Miramar College)

Math 88 – Basic Mathematics/Pre-Algebra (Grossmont College)

Math 35 – PreAlgebra (Southwestern College)

Math 35* – PreAlgebra (Miramar College)

Math 45* – Beginning Algebra (Southwestern College)

Math 95 – Elementary Algebra & Geometry (City College)

Math 95** – Elementary Algebra & Geometry (Miramar College)

Math 65* - Intermediate Algebra (Southwestern College)

Math 96 – Intermediate Algebra & Geometry (City College)

Math 96** - Intermediate Algebra & Geometry (Miramar College)

Math 110* - Intermediate Algebra & Geometry (Grossmont College)

Math 116 – College & Matrix Algebra (City College)

Math 116 – College & Matrix Algebra (Miramar College)

Math 141 – PreCalculus w/Trigonometry (San Diego State University)

Math 244 – PreCalculus w/Trigonometry (Southwestern College)

Math 120 – Calculus for Business Analysis (San Diego State University)

Math 121 – Calculus for Life Sciences (San Diego State University)

Math 121* – Calculus for Business & Natural Sciences I (Miramar College)

Math 122 – Calculus for Business & Natural Sciences II (Southwestern College)

Math 150 – Calculus & Analytic Geometry I (San Diego State University)

Math 250 – Calculus & Analytic Geometry I (Southwestern College)

Math 151 – Calculus & Analytic Geometry II (Miramar College)

Math 251 – Calculus & Analytic Geometry II (Southwestern College)

Math 281 – Calculus & Analytic Geometry III (Grossmont College)

Math 253 – Differential Equations (Southwestern College)

Note: * indicates a course taught in a hybrid/interactive format and ** indicates a course taught in a fully online format
